NOTICE

NOTICE is hereby given that Twenty-Ninth (29th) Annual General Meeting of the members of the Gujarat Intrux Limited will be held on **20th September, 2021 Monday at 11:00 AM** through Video Conferencing ("VC")/ Other Audio Visual Means ("OVAM"), to transact the following business:

ORDINARY BUSINESS:

1. To receive, consider, approve and adopt the Audited Financial Statements of the Company for the financial year ended on 31st March, 2021 and the report of Board of Directors and Auditor's there on.
2. To declare final dividend on Equity Shares of the Company for the financial year 2020-21.
3. To appoint a Director in place of Mr. Dilipbhai Muljibhai Dudhagara (DIN-00422189), who retires by rotation and being eligible, offers himself for re-appointment.
4. To appoint a Director in place of Mr. Madhubhai Sambhubhai Patoliya (DIN-00187119), who retires by rotation and being eligible, offers himself for re-appointment.

NOTES:

1. Annual general meeting provides an opportunity to shareholders to interact with the company with the aid of board, auditors and senior management of the Company. Considering the present Covid-19 pandemic, the Ministry of Corporate Affairs has vide its circular dated January 13, 2021, May 5, 2020 r.w.t. circulars dated April 13, 2020 and April 8, 2020 permitted convening the Annual General Meeting ("AGM/Meeting") through Video Conferencing ("VC") or Other Audio Visual Means ("OVAM"), without the physical presence of the members at a common venue. The SEBI has also permitted companies to convene AGM through VC/OAVM. Accordingly, In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA Circulars, Board of Directors of the Company has decided to convene an Annual General Meeting through VC/OAVM. The deemed venue for the AGM shall be the Registered Office of the Company even if meeting will be held through VC/OAVM.
2. Generally, a member entitled to attend and vote at the General meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the Company. Since this AGM is being held through VC/OVAM pursuant to the MCA Circulars, physical attendance of members has been dispensed with. ACCORDINGLY, THE FACILITY FOR APPOINTMENT OF PROXIES BY THE MEMBERS WILL NOT BE AVAILABLE FOR THE AGM AND HENCE THE PROXY FORM AND ATTENDANCE SLIP ARE NOT ANNEXED HERETO.
3. Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
4. Corporate members are required to send a scanned certified copy of board resolution or authorization given by respective board or governing body by which representative members get rights to attend the AGM through VC/OVAM on behalf of respective corporate members and to vote through remote e-voting to the Company at investor@gujaratintrux.com with a copy marked to Scrutinizer at rachhkalpesh@gmail.com
5. Brief profile of director to be appointed/re-appointed is attached as **Annexure 01** of the Board's Report.
6. Since the AGM will be held through VC/OVAM, the route map of the venue of the meeting is not annexed hereto.
7. The register of member and Share Transfer Book of the Company will remain closed from 11th September, 2021, Saturday to 20th September, 2021, Monday (Both days inclusive) in connection with Annual General Meeting and for the purpose of Dividend record date is 10th September, 2021, Friday if declared at the meeting.
8. In case of joint holders attending the AGM, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
9. In terms of the provisions of Section 124 of the Companies Act, 2013, the amount of dividend not encashed or claimed within 7(seven) years after the date of transfer to the unpaid dividend account, will be transferred to Investor Education and Protection Fund established by the government accordingly.
10. Members who have neither received nor encashed their earlier dividends/dividend warrants(s) are requested to write to the Company or Company's Register and Share Transfer Agent LINK INTIME INDIA PRIVATE LIMITED, 506-508, Amarnath Business Center-1 (ABC-1), Besides Gala Business center, Near ST. Xavier's College Corner, Off C.G.road, Ellisbridge, Ahmedabad-380006. Ph : 079-26465179 mentioning the relevant Folio number and DPID and Client ID, for issuance of duplicate/revalidated dividend warrant.

11. In terms of circular issued by the Securities and Exchange Board of India, it is now mandatory to furnish a copy of Pan Card to the Company or its RTA in the following cases viz. transfer of shares, deletion of name, and transmission of share and transposition of shares. Shareholders are requested to furnish the copy of Pan Card for all above mentioned transactions.
12. In terms of the Regulation 40(1) of the Securities and Exchange Board of India (LODR) Regulations, 2015, as amended, except in case of transmission and transposition, requests for effecting transfer of securities of listed companies shall not be processed unless the securities are held in dematerialised form with a Depositor. In view of the above holding shares in physical form are requested to convert their holding in to dematerialised form.
13. As per the Provisions of Section 72 of the Act, the facility for making nomination is available for the members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members are requested to submit the said details to their depository participants in case the shares are held by them in electronic form and to LINK INTIME INDIA PRIVATE LIMITED in case the shares are held by them in physical form.
14. Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company at least 10 days in advance of the AGM i.e. by 10th September, 2021, Friday through email on investor@gujaratintrux.com or write us at the Company's Registered address. The same will be replied by the Company suitably.
15. In terms of provision of Section 107 of the Companies Act, 2013. Since the resolutions as set out in notice are conducted through e-voting, the said resolutions will not be approved by show of hand at the AGM.
16. A Final Dividend of Rs. 3/- per equity share has been recommended by the Board of Directors for the Financial Year 2020-21, subject to approval of members at the ensuing Annual General Meeting of the Company.
17. Subject to approval of the Members at the AGM, the final dividend will be paid within time line prescribed by the act from the conclusion of the AGM, to the members whose names appear on the Company's Register of Members as on the Company's Register of Member as on the Record Date, and in respect of the shares held in dematerialized mode, to the Members whose names are furnished by NSDL/CDSL as beneficial owners on that date.
 - A. Payment of final dividend shall be made through electronic mode to the shareholders who have updated their bank account details. If in case Company not able to pay final dividend electronically due to non-availability of bank details then Company shall dispatch the final dividend warrant/demand drafts to the shareholders through postal/courier services. Moreover, due to Covid-19 pandemic, delivery of DDs/Warrants may be delayed as some of the states are having limited activities allowed and postman/courier agency will try to deliver with the best possible extent with due care. Shareholders are requested to register/update their complete bank details like Active bank account number, 9 Digit MICR, IFSC by sending/attaching photocopy of passbook along with cancel cheque leaf by mentioning folio number;
 1. With their Depository Participant(s) with whom they maintain their demat accounts if share are held in dematerialised mode by submitting the requisite documents, and
 2. To LINK INTIME INDIA PRIVATE LIMITED, Registrar and Share Transfer Agent by submitting the requisite documents.
 3. Send email at investor@gujaratintrux.com.
 - B. In accordance with the provisions of the Income Tax Act, 1961 as amended by and read with the provisions of the Finance Act, 2020, dividend declared and paid by the Company shall be taxable in the hands of the shareholders w.e.f. April 01, 2020 and the Company is required to deduct tax at source (TDS) from dividend paid to the Shareholders at prescribed rates in the Income Tax Act, 1961 (the "IT Act").

In general, to enable compliance with TDS requirements, Members are requested to complete and/or update their Residential Status, PAN and Category as per the IT Act with their Depository Participants in case shares are held in Dematerialized form. In case shares are held in physical form, aforementioned details need to be updated with the RTA of the Company by quoting their name and folio number.
 - C. A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H provided all prescribed conditions are met, to avail the benefit of non-deduction of tax at source on the website of RTA at [https:// linkintime.co.in/formsreg/submission-of-form-15g-15h.html](https://linkintime.co.in/formsreg/submission-of-form-15g-15h.html). latest by 11:59 p.m. IST, September 15, 2021. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.

Further, resident shareholders to provide the self-attested copy of PAN. In case Lower or Nil withholding certificates has been obtained under Section 197 of the IT Act by the resident shareholder, the self-attested copy of such certificate shall be required to be uploaded on the website of RTA as referred above.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

AN OVERVIEW

Our Company “Gujarat Intrux Limited” is engaged in Manufacturing and supply of stainless steel, Non- Alloy Steel and alloy steel Castings. The present capacity of foundry is 300 tons per month. The plant is equipped with all necessary infrastructure, equipment, and machineries. The company is connected with 1800KVA high tension power Connection.

The casting industry suffered a setback due to COVID-19 pandemic outbreak and the subsequent lock downs in the different regions of the Country. The Industry's key customer sector like Oil & Gas drillers and refiners struggled hard to survive due to prolonged shutdowns, disrupted supply chain, collapsing confidence and delayed investment and projects, as well as a decline in consumption activity across the globe.

As a step towards supporting the economy, the Government of India unleashed policy stimulus equivalent to INR 20 trillion consisting of the following measures: (A) Liquidity injection and favorable business environment for the MSMEs (B) Impetus on the rural economy as measures are directly focused on increasing income and consumption (C) Structural reforms in the mining and manufacturing sector.

The stimulus package and incentive program with increased government spending will strengthen the demand situation in the country in the coming times. Other government initiatives in this sector are as follows: In December 2020, the Minister for Petroleum & Natural Gas and Steel, Mr. Dharmendra Pradhan, has appealed to the scientific community to Innovate for India and create competitive advantages to make India 'Aatmanirbhar'. In September 2020, the Ministry of Steel prepared a draft framework policy for development of steel clusters in the country.

World has recently been passing through a very difficult phase, steadily Indian economy is getting upward trend and hoping for recovery of hard time. We GUJARAT INTRUX LIMITED shall certainly not get disheartened of such problems, further, GUJARAT INTRUX is functioning smoothly after unlocking by the Government and with strict Safety Measures as prescribed by the WHO and Indian Government to protect the health of all from COVID-19.

COVID PREVENTIVE MEASURES

The Company's manufacturing facilities remained closed from 22nd March, 2020 due to lockdown and re-opened w.e.f. 20th April, 2020 with the permission of the Local Government and with all the COVID Preventive safety measures.

Due to COVID-19 pandemic the life became caution and to prevent covid-19 there are safety protocols to be followed. We are following all the safety protocols and encouraging employees to do the same. We have done COVID-19 Safety Audit after re-opening of the organization and it is being done periodically also.

We have done various online instruction programs with respect to Covid19 Safety Measures, also have prohibited physical appearances and reporting except in emergency/urgent situations, we have diverted our training structure from offline to online. We have started conducting interviews/Meetings over Telephone or Other Audio Visual Means to break the Covid19.

We GUJARAT INTRUX deeply regret the loss of life caused due to the outbreak of COVID-19 and are grateful to every person who risked their life and safety to fight this pandemic. We also have lost few GUJARAT INTRUX FAMILY members due to COVID-19; we are expressing condolence to their family.

VACCINATION DRIVE

Thanks to the Scientist, Doctors and Government of India for actively being there whenever needed. Further, recently world has got the vaccines against COVID19 and India too has produced indigenous vaccines and also started huge production of vaccines in India collaborating with other International Organization. Vaccination is the only option left to combat COVID19, we at GUJARAT INTRUX LIMITED done vaccination drive and encouraged employees to get vaccines as soon as possible and we have achieve 100% partial vaccination of employees, till the date many employees are fully vaccinated.

INDUSTRY STRUCTURE AND DEVELOPMENTS

The United Nations has raised India's growth forecast to 7.5 per cent for calendar year 2021, but said the country's outlook for the year remains highly fragile. The Indian economy is projected to grow GDP by more than 10% in FY 21-22 as per various institutional estimates, making it one of the fastest-growing economies. India's growth journey could be the result of a culmination of favorable tailwinds like consistent flattening of the COVID-19 infection curve, increase in government spending, reforms & reliefs and an efficient roll-out of the vaccine, among others.

The steel and metal casted products demand got impacted adversely as key consuming segments struggled to operate amidst weakening economic activities, major hubs in red/containment zones, working capital constraints, migrant labour issues and logistic challenges.

Indian is one of the largest producers of metal casted products. Our company manufactures Steel and Alloy steel Sand casting single piece weight of from few Kgs. to 2200 kgs. The industry is gaining decent demand in the market after the COVID-19 outbreak with the relaxed restrictions within the Country and internationally as well. Concern has been shifted to the Raw Materials and Man powers from the industry expansion. As of now some variations were noted in the demand of the steel products but all the units of steel industry putting more efforts to maintain and create similar demand graph in future too. We aim to perform in export as we hope better demand because world is getting back on track and we always put emphasis to expand our horizon.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

Financial Performance is highlighted as under:

Particulars	2020-2021	2019-2020	% wise Up/Down
Production(in MT)	903.10	1676.25	46.12% Down
Export Sales (Rs. In Lakhs)	1754.21	1315.92	33.31% Up
Domestic Sales (Rs. In Lakhs)	1479.03	3383.01	56.28% Down
Total Sales (Rs. In Lakhs)	3233.24	4698.93	31.19% Down
Other Income (Rs. In Lakhs)	99.47	74.95	32.72% Up
Earnings Per Share	11.32	13.81	18.03% Down
Dividend %	30%	30%	-

In the year 2020-21 Company has overall performed decently in terms of production, sales, domestic sales and we noted slight decrement of profitability. Due to COVID-19 Lockdown our operation was inactive for some time and it was re-activated since last week of April, 2020 and after that we were setting our new normals and we are operating smoothly now.

The Company's operational functions are well designed and having almost all facilities in house i.e. Two induction furnace, Moulding Unit, Sand-Reclamation Plant, Shot-Blasting Unit, Heat Treatment, MPI, PMI, UT, RT, SPECTRO, IGCT, FARO and CNC, VMC, VTL and HMC etc. and fully equipped Machine Shop.

Better the operational performances, better will be the Financial performance.

FINANCIAL RATIOS

The significant changes in the financial ratios of the Company, which are more than 25% compared to the previous year are summarised below:

Ratio	Particulars	2020-21	2019-20	% Change	Reason for change
Current Ratio	Standalone	14.42	9.89	45.80	Current ratio improved comparing to last year as Current liabilities gone down significantly.
Debt Equity Ratio	Standalone	0.08	0.11	(27.27)	Debt to equity has improved as liabilities gone down.

CHANGE IN RETURN ON NET WORTH

The return on Net worth for the financial year 2020-21 has come down from 139% to 112.73% as compare to preceding financial year as profit of the Company come slightly down.

SEGMENT/PRODUCT WISE PERFORMANCE

The company has only one segment i.e. Sand Casting unit only. The Company has total sales of RS. 3233.24 Lakh in compare to previous year of Rs.4698.93 Lacs.

In the year 2020-21, situation around the world was not in the favor of Economy but Company has performed decently in the Export sales.

FUTURE OUTLOOK

The global economy is now projected to expand by 5.4 per cent in 2021. The global economy is expected to see a rebound in 2021 with the International Monetary Fund (IMF) expecting 6% growth, with US stimulus and vaccine optimism leading to further opening up of the economies. The growth recovery is likely to be led by the US and China—the US is estimated to grow 6.4% in 2021 and China by 8.4%. Governments and Central Banks are expected to maintain supportive policies until the recovery is firmly underway. The strength of recovery will depend on vaccine roll-out.

The Indian economy is estimated to decline by 8% in FY 2020-21, the first year of contraction since 1980. India's economic decline was sharper than other key economies due to strict and early lockdowns to control the spread of COVID-19. However, growth has continued to recover and was back in positive territory (+0.4%) in 3Q FY 2020 after a decline of 24.4% and 7.3% respectively in 1Q FY 2021 and 2Q FY 2021. India saw a V-shaped recovery as most consumption and industrial indicators were back in positive growth territory in the September-December quarter after being in deep negative in the June quarter.

The outlook for the industry looks reasonable, since India has good metal deposits, skilled manpower and growing demand for casted products. The improved demand is expected to continue in the current fiscal as well on the back of ongoing government funded projects. In spite of a downturn in the Global demand, Indian demand could survive showing an upward trend, setting a road ahead for the growth of the domestic industry in the long run.

Situation with COVID-19 pandemic and lockdowns is not calculative, due to lockdown and rise in cases global production is affected, however, due to vaccination global production may get upward trend. Recent time every foundry might be going through gradual production but it may show upward trend soon as world is opening gradually with new hope for demand. We may see sharp rise in raw material and may face non-availability of man power.

Company shall continue to be India's leading quality Steel and Alloy Steel sand casting manufacture through innovative and improved technology and method. Company also following various Government initiatives to support the domestic market. We aim to take our Quality Management System, Technology and commitment to the next level. The Company has strengthened its safety policy, performance stability and also expecting to get rise in the market situation.

OPPORTUNITIES AND THREATS

Timely and universal access to Covid-19 vaccinations will mean the difference between ending pandemic promptly and placing the world economy on trajectory of a resilient recovery, or losing many more years of growth, development and opportunities.

On the later part of the March 2020, India hit by COVID-19 Cases and India is also facing second wave of COVID-19, we are facing very tough time and pandemic causing unstable situation. Market Demand of any product has been affected and revival of the demand is likely to be strengthening as world is recovering with the outbreaks. Further vaccination drive within the country is also progressing which will result in ramping up economic activities and we shall have upward economic trend. Further, world economy is also finding way to go up which can open up our export focus. Company is also aiming to cater demand from domestic regions.

Steel industries are highly deepening upon capital advancement and we are expecting that in the coming years. Further, biggest threat to the any business is raw materials, its availability and its cost. Due to outbreak availability of raw material is biggest concern and it also breaking cost analysis. One more concern about business is availability of man power. Pandemic caused hardship to the life of people. Skilled labor are need of industry which in recent time hard to get.

Being a quality casting manufacturer, we are catering domestic demands by our Customer support and best in quality casting products.

We are now able supply large number of machined castings, as we have increased capacity of our In-house Machining Unit during the year and which will be benefited in coming years to grab the high demand of Machined casting.

RISK FACTORS

The Key risks are global demand scenario, domestic demand, economic slowdown, increase in financial charges, non-availability (or undue increase in cost) of rawmaterials, such as raw metals etc., and labour etc., coupled with market fluctuations. The Company does not apprehend any inherent risk in the long run, with the exception of certain primary concerns that have afflicted the progress of our industry in general, like: Rising manpower and material costs.

Further, India observing volatility in oil prices, raw iron prices, nickel prices and other metal prices. In such case India may face upward inflation, which may impact Company's performance. Further, fluctuation in exchange rate, liquidity issues, rising power and labour cost continues to be key challenge for the industry.

Additionally, migration of skilled workers and getting fresh workers and training them to efficient level which may likely to give impact of the performance of the Company.

Your Company regularly monitors the various risks associated with its business and the company continues to take suitable steps to minimize risks and their impact on Company's overall performance.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company believes in systematic working and placing of proper checks. The Company has proper and adequate system of internal controls commensurate with its size and nature of operations to provide reasonable assurance that all assets are safeguarded, transactions are authorised, recorded and reported properly. The internal auditors of the company conducts audit of various department and areas. The Internal Audit Department reports its findings and observations to the Audit Committee which meets to review the audit issues and to follow up implementation of corrective actions. The statutory auditors also provide assurance on the adequacy of the internal control systems in the Company.

LEGAL COMPLIANCE TOOL

Indian Government is making tremendous efforts to revive the Country and Economy from the Consequences of the Lockdown due to Covid-19 pandemic. Further Government has also relaxed various Statutory Compliances to be made by giving extension and relaxations.

In order to ensure transparency and full compliance of the applicable laws, Company has developed a comprehensive tool which covers the entire gamut of compliances applicable to the company's business. The same has been made operational during the year under review. This tool will enable the company to track and ensure compliance to the regulations in the prescribed time frame. At the same time, it also provides opportunity to develop an efficient plan for go to market strategy for its projects.

QUALITY OF PRODUCTS

The Gujarat Intrux Limited is known for quality excellence. Entire company's manufacturing process takes extreme care for providing quality. Your Company has achieved benchmark in providing quality casting. The Company has only motto of providing quality casting. The Company has separate and dedicated team to assure desired quality and we are maintaining it.

HUMAN RESOURCE AND DEVELOPMENT

Human Resources Department works continuously for maintaining healthy working relationship with the workers and other staff members. The underlying principle is that workers and staff at all levels are equally instrumental in attaining the Company's goals. Training programmes are regularly conducted to update their skills and apprise them of latest techniques. Senior management is easily accessible for counseling and redressal of grievances. The HR department continuously strives to maintain and promote harmony and co-ordination among workers, staff and members of the senior management.

Considering the health and safety of the employees of the Company and in line with the advisories, orders and directions issued by both State and Central Government in order to prevent the spread of the coronavirus (Covid 19) outbreak, the Company has suspended its operations in the lockdown period and reactivated after unlocking by government. Further the Company has taken a group policy of the employees and Company is and was very cooperative with the Covid19 patient employees. The HR department of the Company is continuously in touch with the employees to guide them and solve their problems.

The HR Department of the Company has continuously created the awareness of Covid 19 among the employees of the Company through E-mails and has also educated the employees in respect of personal hygiene and precautions which needs to be taken in this situation of pandemic. The company has conducted the interviews through telephone and meetings through Video Conferencing in order to maintain social distancing which is most essential due to the spread of Covid 19. The Company has implemented a systematic operating plan to deal with Covid 19 issue. The Company is providing training through digital platforms and also making aware them regarding digital platform usage.

The Company is always focuses toward the workforce. Your Company has created performance based culture within the organization and emphasize on employees training and development. During the year under review Company has maintained healthy and cordial industrial relations.

CORPORATE SOCIAL RESPONSIBILITY

Your Company is committed to conduct its business in a socially responsible manner irrespective of statutory obligation. During the year company has contributed in the healthcare and educational sector. Further Company's Corporate Social Responsibility Committee regularly reviews the Company's CSR Policy. CSR Policy is available at the website of the Company at <http://www.gujaratintrux.com/investors.php> (Scan QR code for direct access)

EXPORTS

The company has always makes way for large export since many years and had achieved tremendous growth in export and export sales increased by 33.31%.

As per some data, Merchandise exports from India dropped by 34.57% at USD 21.41 billion in March 2020 in comparison to USD 32.72 billion in March 2019. Iron ore registered a growth rate of 58.43% in exports, whereas all other commodities/Commodity groups registered negative growth in exports in March 2020. Further, export scenario of the Country is likely to improve as Government of India has initiated various export promotion programs and relaxed various frameworks.

As compare to last year company's export increased by 33.31%. Further, we expect the same in the coming year as countries are facing COVID-19 Consequences. Company has framed various policies after pandemic situations, which will make way for export demands to cater. Your company having dedicated marketing team which focusing on continual relation with customers with ethics and complying with commitments. Company is regularly participating at International Exhibition.

CAUTIONARY STATEMENT

The Management Discussions and Analysis describe Company's projections, expectations or predictions and are forward looking statements' within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand and supply and price conditions in domestic and international market, changes in Government regulations, tax regimes, economic developments and other related and incidental factors.

Some parts of the content of this annual report are taken from sources like World Bank, IMF, Business Magazines and other valuable institute & organization.

HOLDING/SUBSIDIARY/ASSOCIATE

The Company has no Holding, Subsidiary and Associate Company.

OVERVIEW OF THE INDUSTRY, EXTERNAL ENVIRONMENT & ECONOMIC OUTLOOK

The outbreak of the deadly COVID-19 virus and the ensuing lockdown imposed across the country affected business operations. The health of the employees and workers became a priority; stoppage of operations for an uncertain period resulted in a large financial burden on the one hand and workforce idling on the other. COVID-19 is an unprecedented challenge. The lockdown gave India time to make a concerted effort to flatten the outbreak curve. However, towards later part of the year consequent to significant opening of the economic activity across the nation the demand picked up compared to that during the initial period of Covid-19.

India is currently experiencing a massive second wave of Covid-19 infections. However, we expect no major changes in the economic activity as the nation is preparing to face the Pandemic with vaccines and preparedness.

The United Nations has raised India's growth forecast to 7.5 per cent for calendar year 2021, but said the country's outlook for the year remains highly fragile. The Indian economy is projected to grow GDP by more than 10% in FY 21-22 as per various institutional estimates, making it one of the fastest-growing economies. India's growth journey could be the result of a culmination of favorable tailwinds like consistent flattening of the COVID-19 infection curve, increase in government spending, reforms & reliefs and an efficient roll-out of the vaccine, among others.

The steel and metal casted products demand got impacted adversely as key consuming segments struggled to operate amidst weakening economic activities, major hubs in red/containment zones, working capital constraints, migrant labour issues and logistic challenges. These situation are likely to get better soon as world is opening up.

Gujarat Intrux Limited has also faced disruptions on operating and non-operating cycle. Government of India has imposed nationwide lockdown to prevent COVID-19 community spread and it significantly impact the business operations of the company by way of interruption in production, supply chain disruptions, unavailability of personnel, non-availability of raw-materials, etc., this blow has push everyone to a Starting Line! But to bounce back is the aim of business and world economy has observed harmful slowdown even before COVID-19, although it has got the track right. Getting back to Normalcy, and probably doing better than what it was pre-lockdown. We should certainly not get disheartened.

Indian is one of the largest producers of metal casted products. Our company manufactures Steel and Alloy steel Sand casting single piece weight of from few Kgs. to 2200 kgs. The industry is gaining decent demand in the market after the COVID-19 outbreak with the relaxed restrictions within the Country and internationally as well. Concern has been shifted to the Raw Materials and Man powers from the industry expansion. As of now some variations were noted in the demand of the steel products but all the units of steel industry putting more efforts to maintain and create similar demand graph in future too. We aim to perform in export as we hope better demand because world is getting back on track and we always put emphasis to expand our horizon.

Your Company is committed towards of all its customer, suppliers and all other government and non-government institutions and for that company is putting various efforts to maintain balanced situation with minimal disturbance. Your Company has positive attitude towards the future aspects and expects/assure that company will recover from pandemics' impact very soon.

DEPOSIT

Company has not accepted any deposits and as such no amount of Principal or Interest was outstanding as of the Balance Sheet.

PARTICULARS OF LOANS, GURANTEES OR INVESTMENTS

The Company has not given any loan, Guarantee and has not made any investments during the year under review. Your Company has not made any transactions falling under the ambit of section 186 of the Companies Act, 2013.

RELATED PARTY TRANSCATIONS

Company has entered into transactions with Related Parties in the ordinary courses of business at Arm's length basis. Particulars of contracts or arrangements with related parties referred in to Section 188(1) of the Companies Act, 2013, in the prescribed Form AOC-2 is appeared as **Annexure 02** to the Board's report.

INTERNAL FINANCIAL CONTROLS AND INTERNAL AUDIT

The Company's internal audit system has been continuously monitored and updated to ensure that assets are safeguarded, established regulations are complied with and pending issues are addressed promptly.

Your Company has implemented Periodic Review Mechanism as part of Internal Financial Controls to review receivables, inventories, tangible and intangible assets, investments and other financial parameters for the financial year 2020-21.

The audit committee reviews reports presented by the internal auditor on a routine basis. The committee makes note of the audit observations and takes corrective actions wherever necessary. It maintains constant dialogue with statutory and internal auditors to ensure that internal control systems are operating effectively. Based on its evaluation (as provided under Section 177 of the Companies Act, 2013 and Clause 18 of SEBI Listing Regulations), the Audit Committee has concluded that as of 31st March, 2021, the Internal Financial Controls were adequate and operating effectively.

INSURANCE

The assets of the Company including buildings, plant & machinery, stocks, additionally public liability etc. Wherever necessary and to the extent required have been adequately insured against various risk. Moreover, Company is also securing personal health of its employees by taking various insurance like workman compensation, group personal accident and group mediclaim including Covid-19.

SEGMENT REPORTING

The Company is engaged in the Casting business only and therefore there is only one reportable segment in accordance with the Accounting standards on segment reporting IND-AS 108 (Operating Segment).

INDUSTRIAL AND HUMAN RESOURECS

The Company believes that the quality of employees is the key to its success. In view of this, it is committed to equip them with skills, enabling them to evolve with technological advancements.

During the year, the Company organised training programmes in technical skills, behavioral skills, business excellence, general management, advanced management, leadership skills, customer orientation, safety, values and code of conduct. Considering the health and safety of employees and advisories, orders and directions issued by State and Central Governments to restrict the novel coronavirus.

The HR Department of the Company has continuously created the awareness of Covid 19 among the employees of the Company through E-mails and has also educated the employees in respect of personal hygiene and precautions which needs to be taken in this situation of pandemic. The company has conducted the interviews through telephone and meetings through Video Conferencing in order to maintain social distancing which is most essential due to the spread of Covid 19. The Company has implemented a systematic operating plan to deal with Covid 19 issue. The Company is providing training through digital platforms and also making aware them regarding digital platform usage.

GUJARAT INTRUX LIMITED is expressing sympathy and paying tribute to our valuable employees died due to COVID-19.

POLICY ON PRVENTION OF SEXUAL HARASSMENT OF WOMAN AT WORKPLACE

The Company has in place a policy on Prevention of Sexual Harassment of Women at workplace in line with the requirements of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and Rules framed there under and Internal Complaint's Committee has also been set up to redress complaints regarding sexual

harassment. During the year no complaints were received by the Company. AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members of,
Gujarat Intrux Limited

We have examined the compliance conditions of corporate governance by GUJARAT INTRUX LIMITED for the Financial year ended March 31, 2021 as Chapter IV of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and amendment thereof pursuant to the Listing Agreement of the said Company with stock exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreement.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule

No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
GUJARAT INTRUX LIMITED
(CIN: L27100GJ1992PLC016917)

Survey No.84/p, 17 K.M. Rajkot-Gondal Road,
 Village: Shapar, Taluka: Kotda Sangani,
 Rajkot.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by GUJARAT INTRUX LIMITED (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2021, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Gujarat Intrux Limited ("the Company") for the financial year ended on 31st March, 2021, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder and further amendments thereto and as per applicability to the company;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA'), Securities Contracts (Regulation) Amendment Act, 2007 and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, transfer and transmission of shares;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 and amendments thereto;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 and amendments thereto;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; **Not Applicable** as the Company has not issued any Capital during the year under review.
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; **Not Applicable** as the Company has not made any ESOP.
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **Not Applicable** as the Company has not issued such debt securities.

- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client: **Not applicable** as the Company is not registered as a Registrar to an issue and Share Transfer Agent.
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **Not Applicable** and
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations 2018; **Not Applicable** as the Company has not processed any buy back of its securities.
- (vi) The Company has identified the following laws as specifically applicable to the Company:
 1. Explosive Act, 1884
 2. The Environment (Protection) Act, 1986

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) Listing Agreement as per SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and amendments thereto entered into by the Company with Stock Exchange and Compliances to be made as per SEBI (Listing of Obligations and Disclosure Requirement) Regulations, 2015 were complied within the time prescribed under the SEBI (Listing of Obligations and Disclosure Requirement) Regulations, 2015 and within the time line extended due to Covid-19 Pandemic by the SEBI.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. Re-appointment of Managing Director was made in due compliance with the provisions of the Act.

Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Meetings conducted during the year 2020-21 were in compliance with the Companies Act, 2013 and as per the guidelines/ special measures/exemptions/ relaxations prescribed due to outbreak of Covid-19 pandemic by the Ministry of Corporate Affairs and SEBI (Listing of Obligations and Disclosure Requirement) Regulations, 2015.

In Furtherance, some of the forms were filed under CFSS Scheme 2020 given by Ministry of Corporate Affairs due to spread of Covid-19 pandemic.

All decisions at Board Meetings and Committee Meetings have been carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be. There were no dissenting views on any matter.

We further report that based on review of compliance mechanism established by the Company and on the basis of the Compliance Certificate(s) issued by the respective Heads of Departments of the Company and taken on record by the Board of Directors at their meeting(s), we are of the opinion that the management has adequate systems and processes commensurate with its size and operations, to monitor and ensure compliance with all applicable laws, rules, regulations and guidelines.

INDEPENDENT AUDITOR'S REPORT

To the members of GUJARAT INTRUX LIMITED Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of GUJARAT INTRUX LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March 2021, the statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date

Basis for Opinion

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis on matter

We draw attention to Note No. 26(13) to the standalone financial statements, as regarding management evaluation of COVID-19 impact on the future performance of the company.

Our opinion is not modified in respect of this matter.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report including Annexures to the Director's Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to

the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

“ANNEXURE B” REFERRED TO IN THE AUDITORS REPORT TO THE MEMBERS OF GUJARAT INTRUX LIMITED FOR THE YEAR ENDED 31ST MARCH, 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **GUJARAT INTRUX LIMITED** (“the Company”) as of 31st March, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 26 Notes accompanying to the financial statements Year Ended 31st March, 2021

(1) Company Background

Gujarat Intrux Limited (the 'Company') is a public limited Company domiciled and incorporated in India under the Companies Act. The registered office of the Company is located at Survey No: 84/P,17 k.m. Rajkot - Gondal Road, Shapar, Rajkot - 360024

The Company is engaged in the business of manufacturing of Steel casting, Non - Alloys casting Steel and Alloys Steel Casting.

(2) Significant accounting policies and key accounting estimates and judgements

2.1 Basis of preparation of financial statements

These financial statements are the separate financial statements of the Company (also called standalone financial statements) prepared in accordance with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

The financial statements are presented in Indian rupee and all values are rounded to the nearest rupee, except when otherwise indicated.

2.2 Current / Non-Current Classification

Any asset or liability is classified as current if it satisfies any of the following conditions:

- > the asset/liability is expected to be realized/settled in the Company's normal operating cycle;
- > the asset is intended for sale or consumption;
- > the asset/liability is held primarily for the purpose of trading;
- > the asset/liability is expected to be realized/settled within twelve months after the reporting period;
- > the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;
- > in the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-current.

Operating cycle

Operating cycle of the Company is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. As the Company's normal operating cycle is not clearly identifiable, it is assumed to be twelve months.

2.3 Summary of significant accounting policies

a) Property, Plant and Equipment

Measurement at recognition:

An item of property, plant and equipment that qualifies as an asset is measured on initial recognition at cost. Following initial recognition, items of property, plant and equipment are carried at its cost less accumulated depreciation and accumulated impairment losses.

The Company identifies and determines cost of each part of an item of property, plant and equipment separately, if the part has a cost which is significant to the total cost of that item of property, plant and equipment and has useful life that is materially different from that of the remaining item.

"The cost of an item of property, plant and equipment comprises of its purchase price including import duties and other non refundable purchase taxes or levies, directly attributable cost of bringing the asset to its working condition for its intended use and the initial estimate of decommissioning, restoration and similar liabilities, if any. Any trade discounts and rebates are deducted in arriving at the purchase price. Cost includes cost of replacing a part of a plant and equipment if the recognition criteria are met. Expenses directly attributable to new manufacturing facility during its construction period are capitalized if the recognition criteria are met. Expenditure related to plans, designs and drawings of buildings or plant and machinery is capitalized under relevant heads of property, plant and equipment if the recognition criteria are met."

Items such as spare parts, stand-by equipment and servicing equipment that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Costs in nature of repairs and maintenance are recognized in the Statement of Profit and Loss as and when incurred.

Capital work in progress and Capital advances:

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of fixed assets outstanding at each Balance Sheet date are disclosed as Other Non-Current Assets

Depreciation:

Depreciation on each part of an item of property, plant and equipment is provided using the Straight Line Method based on the useful life of the asset as estimated by the management and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013. The estimate of the useful life of the assets has been assessed based on technical advice which considers the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support, etc. The estimated useful life of items of property, plant and equipment is mentioned below:

	Years
Factory Buildings	30
Buildings (other than factory buildings)	60
Fences, wells, tube wells	5
Plant and Equipment (other than continuous process plants)	15
General Furniture and Fittings	10
Office Equipment	5
Information Technology Hardware	10
Motor Cycles, Scooters and other Mopeds	10
Motor Buses, Motor Lorries and Motor cars	8
General Laboratory Equipment	10
Electrical Installations and Equipment	10

Freehold land is not depreciated.

The Company, based on technical assessment made by technical expert and management estimate, depreciates certain items of property plant and equipment (as mentioned below) over estimated useful lives which are different from the useful lives prescribed under Schedule II to the Companies Act, 2013 (Schedule III). The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Information Technology Hardware are depreciated over the estimated useful lives of 10 years, which is higher than the life prescribed in Schedule II

The useful lives, residual values of each part of an item of property, plant and equipment and the depreciation methods are reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

Derecognition:

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

b) Intangible assets

Measurement at recognition:

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets arising on acquisition of business are measured at fair value as at date of acquisition. Internally generated intangibles including research cost are not capitalized and the related expenditure is recognized in the Statement of Profit and Loss in the period in which the expenditure is incurred. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, if any

Amortization:

Intangible Assets with finite lives are amortized on a Straight Line basis over the estimated useful economic life. The amortization expense on intangible assets with finite lives is recognized in the Statement of Profit and Loss. The estimated useful life of intangible assets is mentioned below:

	Years
Information Technology Software	10

The Company, based on technical assessment made by technical expert and management estimate, depreciates Information Technology Software (as mentioned below) over estimated useful lives which are different from the useful lives prescribed under Schedule II to the Companies Act, 2013 (Schedule III). The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Information Technology Software are depreciated over the estimated useful lives of 10 years, which is higher than the life prescribed in Schedule II

The amortization period and the amortization method for an intangible asset with finite useful life is reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

Derecognition:

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an intangible asset is measured as the difference between the net disposal proceeds and the carrying amount of the intangible asset and is recognized in the Statement of Profit and Loss when the asset is derecognized.

c) Impairment

Assets that have an indefinite useful life, for example goodwill, are not subject to amortization and are tested for impairment annually and whenever there is an indication that the asset may be impaired. Assets that are subject to depreciation and amortization are reviewed for impairment, whenever events or changes in circumstances indicate that carrying amount may not be recoverable. Such circumstances include, though are not limited to, significant or sustained decline in revenues or earnings and material adverse changes in the economic environment.

An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit (CGU) exceeds its recoverable amount. The recoverable amount of an asset is the greater of its fair value less cost to sell and value in use. To calculate value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market rates and the risk specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the CGU to which the asset belongs. Fair value less cost to sell is the best estimate of the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal.

Impairment losses, if any, are recognized in the Statement of Profit and Loss and included in depreciation and amortization expenses. Impairment losses are reversed in the Statement of Profit and Loss only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

d) Revenue

Effective April, 1 2018, The Company adopted Ind AS 115 "Revenue from Contract with Customer". Ind AS 115 supersedes Ind AS 11, Construction Contract and Ind AS 18, Revenue.

Ind AS 115 requires an entity to report information regarding nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with customers.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

The impact of application of the Standard is not material.

Revenue is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates allowed by the Company.

Revenue includes only the gross inflows of economic benefits received and receivable by the Company, on its own account. Amounts collected on behalf of third parties such as GST are excluded from revenue.

Sale of products:

Revenue from sale of products is recognized when the Company transfers all significant risks and rewards of ownership to the buyer, while the Company retains neither continuing managerial involvement nor effective control over the products sold.

Rendering of services:

Revenue from services is recognized when the stage of completion can be measured reliably. Stage of completion is measured by the services performed till Balance Sheet date as a percentage of total services contracted.

Interest, royalties and dividends:

Interest income is recognized using effective interest method. DEPB licence income / MEIS licence income / FPS income is recognized on an accrual basis in accordance with the substance of the relevant agreement. Dividend income is recognized when the right to receive payment is established.

e) **Inventory**

Raw materials, work-in-progress, finished goods, packing materials, stores, spares, components and consumables are carried at the lower of cost and net realizable value. However, materials and other items held for use in production of inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost. The comparison of cost and net realizable value is made on an item-by-item basis.

In determining the cost of raw materials, packing materials, stores, spares, components and consumables, first in first out cost method is used. Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.

Cost of finished goods and work-in-progress includes the cost of raw materials, packing materials, an appropriate share of fixed and variable production overheads, excise duty as applicable and other costs incurred in bringing the inventories to their present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

f) **Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

> **Financial Assets**

Initial recognition and measurement:

The Company recognizes a financial asset in its Balance Sheet when it becomes party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset.

Where the fair value of a financial asset at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input).

In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial asset.

However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement:

For subsequent measurement, the Company classifies a financial asset in accordance with the below criteria:

- i. The Company's business model for managing the financial asset and
- ii. The contractual cash flow characteristics of the financial asset.

Based on the above criteria, the Company classifies its financial assets into the following categories:

- i. Financial assets measured at amortized cost
- ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)
- iii. Financial assets measured at fair value through profit or loss (FVTPL)

i. Financial assets measured at amortized cost:

A financial asset is measured at the amortized cost if both the following conditions are met:

- a) The Company's business model objective for managing the financial asset is to hold financial assets in order to collect contractual cash flows, and
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

This category applies to cash and bank balances, trade receivables, loans and other financial assets of the Company. Such financial assets are subsequently measured at amortized cost using the effective interest method.

Under the effective interest method, the future cash receipts are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial asset over the relevant period of the financial asset to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as interest income over the relevant period of the financial asset. The same is included under other income in the Statement of Profit and Loss.

The amortized cost of a financial asset is also adjusted for loss allowance, if any.

ii. Financial assets measured at FVTOCI:

A financial asset is measured at FVTOCI if both of the following conditions are met:

- a) The Company's business model objective for managing the financial asset is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. Financial assets measured at FVTPL:

A financial asset is measured at FVTPL unless it is measured at amortized cost or at FVTOCI as explained above. This is a residual category. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognized in the Statement of Profit and Loss.

Derecognition:

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized (i.e. removed from the Company's Balance Sheet) when any of the following occurs:

- i. The contractual rights to cash flows from the financial asset expires;
- ii. The Company transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset;
- iii. The Company retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risks and rewards of ownership of the financial asset);
- iv. The Company neither transfers nor retains substantially all risk and rewards of ownership and does not retain control over the financial asset.

In cases where Company has neither transferred nor retained substantially all of the risks and rewards of the financial asset, but retains control of the financial asset, the Company continues to recognize such financial asset to the extent of its continuing involvement in the financial asset. In that case, the Company also recognizes an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

On Derecognition of a financial asset, (except as mentioned in ii above for financial assets measured at FVTOCI), the difference between the carrying amount and the consideration received is recognized in the Statement of Profit and Loss.

Impairment of financial assets:

The Company applies expected credit losses (ECL) model for measurement and recognition of loss allowance on the following:

- i. Trade receivables
- ii. Financial assets measured at amortized cost (other than trade receivables)
- iii. Financial assets measured at fair value through other comprehensive income (FVTOCI)

In case of trade receivables and lease receivables, the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognized as loss allowance.

In case of other assets (listed as ii and iii above), the Company determines if there has been a significant increase in credit risk of the financial asset since initial recognition. If the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL is measured and recognized as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured and recognized as loss allowance.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss under the head 'Other expenses'.

> **Financial Liabilities**

Initial recognition and measurement:

The Company recognizes a financial liability in its Balance Sheet when it becomes party to the contractual provisions of the instrument. All financial liabilities are recognized initially at fair value minus, in the case of financial liabilities not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial liability.

Where the fair value of a financial liability at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input).

In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial liability.

Subsequent measurement

All financial liabilities of the Company are subsequently measured at amortized cost using the effective interest method

Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the Derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid is recognized in the Statement of Profit and Loss.

g) **Fair value**

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- > In the principal market for the asset or liability, or
- > In the absence of principal market, in the most advantageous market for the assets or liability

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1 — quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 — inputs that are unobservable for the asset or liability

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

h) **Foreign Currency Translation**

Initial Recognition:

On initial recognition, transactions in foreign currencies entered into by the Company are recorded in the functional currency (i.e. Indian Rupees), by applying to the foreign currency amount, the spot exchange rate between the functional currency and the foreign currency at the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss.

Measurement of foreign currency items at reporting date:

Foreign currency monetary items of the Company are translated at the closing exchange rates. Non-monetary items that are measured at historical cost in a foreign currency, are translated using the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency, are translated using the exchange rates at the date when the fair value is measured.

Exchange differences arising out of these translations are recognized in the Statement of Profit and Loss.

i) Income Taxes

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

Current tax:

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax:

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under Income Tax Act, 1961

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary differences if any that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/ expense are recognized in Other Comprehensive Income.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

j) Provisions and Contingencies

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

k) Cash and Cash Equivalents

Cash and Cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments.

l) Employee Benefits

Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

Post-Employment Benefits:

Defined Benefit plans:

i) Provident Fund scheme:

Contribution as required by the statute made to the Government provident fund is debited to Profit and loss statement.

ii) Gratuity scheme:

The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, if applicable. Any defined benefit asset (negative defined benefit obligations resulting from this calculation) is recognized representing the present value of available refunds and reductions in future contributions to the plan.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability / (asset) are recognized in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability / (asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability/asset), are recognized in Other Comprehensive Income. Such remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.

The Company presents the above liability/(asset) as current and non-current in the Balance Sheet as per actuarial valuation by the independent actuary.

m) Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized, if any. All other borrowing costs are expensed in the period in which they occur.

n) Segment Reporting

The Chairman and Managing Director of the Company has been identified as the Chief Operating Decision Maker (CODM) as defined by IND AS 108, "Operating Segments". The Company operates in one segment only i.e. "Manufacturing of Steel, Non – Alloys Steel and Alloys Steel Casting". The CODM evaluates performance of the Company based on revenue and operating income from "Manufacturing of Steel, Non – Alloys Steel and Alloys Steel Casting". Accordingly, segment information has not been separately disclosed.

o) Events after Reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

p) Earnings per share

Basic EPS is calculated in accordance with Ind AS - 33 'Earning per Share' by dividing the profit / loss for the year attributable to ordinary equity holders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is calculated in accordance with Ind AS - 33 'Earning per Share' by dividing the profit / loss attributable to ordinary equity holders of the parent by the weighted average number of ordinary shares outstanding during the year plus the weighted average number of ordinary shares that would be issued on conversion of all the dilutive potential ordinary shares into ordinary shares.

q) Recent accounting pronouncements and its effect on financials

Ind AS 116 Leases:

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116

introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition:

1> Full retrospective - Restrospectively to each prior period presented applying Ind AS 8 Accounting policies, Changes in accounting estimates and errors

2> Modified retrospective - Restrospectively, with the cumulative effect of initially applying the standard recognized at the date of initial application

Under modified retrospective approach, the lessee records the lease liability as the present value of the remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as:

> Its carrying amount as if the standard had been applied since the commencement date, but discounted at lessee's incremental borrowing rate at the date of initial application or

> An amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments related to that lease recognized under Ind AS 17 immediately before the date of initial application.

Effective April 01, 2019, the company has adopted Ind AS 116 'Leases' using modified retrospective approach. The adoption of the standard did not have any material impact on the financial results.

Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The standard permits two possible method of transition :

1> Full retrospective approach - under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight

2> Restrospectively, with the cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives

Effective April 01, 2019, the company has adopted Ind AS 12 Appendix C using Restrospectively, with the cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives. The adoption of the standard did not have any material impact on the financial results.

The Company has elected to exercise the option permitted under section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance 2019. Accordingly, the Company has recognised provision for the income tax for the year ended 31.03.2020 and re-measured its Deferred Tax Assets based on rate prescribed in the said section.

2.4 Key accounting estimates and judgements

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Difference between actual results and estimates are recognised in the period in which the results are known / materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

The preparation of the Company's financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods

Critical accounting estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

a. Income taxes

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions

b. Defined benefit obligation

The costs of providing post-employment benefits are charged to the Statement of Profit and Loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates.

c. Fair value measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

d. Property, Plant and Equipment

Property, Plant and Equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

(3) Employee benefits

- (i) The company has recognized the following amounts in the profit and loss statement towards contributions to Provident fund

	Fy 2020-21	Fy 2019-20
Contribution towards provident fund:	Rs. 1787014	Rs. 1774292

- (ii) The gratuity benefits have been valued in accordance with the rules of gratuity framed by the Company. The Company reports gratuity defined benefit plan in accordance with Ind AS -19 "Employee Benefits"

Defined Benefit Obligations:	Gratuity benefit
------------------------------	------------------

- a) The amount recognized in the Balance sheet is as follows:

(In rupees)

Particulars	As on 31-03-2021	As on 31-03-2020
A. Present Value of defined benefit obligation		
Present value of funded obligations	-	-
Fair value of plan assets	-	-
Present value of unfunded obligations	4,587,243	4,134,847
Unrecognized past service cost	-	-
Net liability	4,587,243	4,134,847
B. Amounts reflected in the balance sheet		
Liabilities	4,587,243	4,134,847
Assets	-	-
Net Liability	4,587,243	4,134,847

b) The Expenses recognized in the Statement of Profit or Loss is as follows:

(In rupees)

Particulars	As on 31-03-2021	As on 31-03-2020
Current service cost	889,114	683,364
Net interest cost	283,237	223,559
Past service cost	-	-
Expected contributions by the employees	-	-
(Gains)/ losses on curtailments and settlements	-	-
Net effect of changes in Foreign Exchange Rates	-	-
Expenses Recognized	1,172,351	906,923

c) The Expenses recognized in the Other Comprehensive Income (OCI) is as follows:

(In rupees)

Particulars	As on 31-03-2021	As on 31-03-2020
Actuarial (Gains) / losses on Obligation for the period	(236,894)	469,754
Return on Plan Assets, Excluding Interest Income	-	-
Change in Asset Ceiling	-	-
Net (Income)/Expenses for the period Recognized in OCI	(236,894)	469,754

d) Changes in the present value of the projected defined benefit obligation representing reconciliation of opening and closing balances there of are as follows:

(In rupees)

Particulars	As on 31-03-2021	As on 31-03-2020
Present value of Benefits Obligation at the beginning of the period	4,134,847	2,873,504
Interest cost	283,237	223,559
Current service cost	889,114	683,364
Past service cost	-	-
Liability transferred in / Acquisitions	-	-
Liability transferred out / Divestments	-	-
Liabilities Extinguished on settlement	-	-
Benefits paid directly by the Employer	(483,061)	(115,334)
Benefits paid from the fund	-	-
The effect of changes in Foreign Exchange Rates	-	-
Actuarial (gains) / losses on obligation – Due to change in Demographic Assumptions	-	-
Actuarial (gains) / losses on obligation – Due to change in Financial Assumptions	(69,145)	527,500
Actuarial (gains) / losses on obligation – Due to Experience	(167,749)	(57,746)
Present value of Benefits Obligation at the end of the period	4,587,243	4,134,847

e) Changes in the fair value of plan assets representing reconciliation of the opening and closing balances thereof are as follows:

As the company has no funded plan and hence opening and closing fair value in plan assets and changes thereof is NIL

f) The major categories of plan assets as a percentage of total plan assets are as follows:

The company has no funded plan.

g) Principal actuarial assumptions :

Financial assumptions

Particulars	As on 31-03-2021	As on 31-03-2020
Salary escalation rate	6.00% p.a.	6.00% p.a.
Discount rate	6.95% p.a.	6.85% p.a.

Demographics assumptions

Particulars	As on 31.3.2021	As on 31.3.2020
Mortality rate	Indian Assured Lives Mortality (2006-08) ultimate	Indian Assured Lives Mortality (2006-08) ultimate
Attrition rate	2% p.a. for all service groups	2% p.a. for all service groups

The estimates of future salary increase, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The above information is as certified by the actuary and relied upon by the auditors.

4. Information on related party transactions as required by Ind AS- 24 ' Related Party Disclosures' for the year ended 31st March, 2021

a) List of the related parties and relationships

Sr No	Related Parties	Nature of relationship
1	Dhiraj D. Pambhar	Managing Director
2	Dilip M. Dudhagara	Non executive director
3	Amrutlal J. Kalaria	Non executive director
4	Madhubhai S. Patoliya	Non executive director
5	Raman D. Sabhaya	Chairman cum Non executive director
6	Bharat M. Dhorda	Non executive director
7	Niteshkumar P. Patel	Independent director
8	Narendra C. Pithadia	Independent director
9	Gordhan K. Sorathia	Independent director
10	Rameshbhai M. Bhimani	Independent director
11	Gajanan R. Kamat	Independent director
12	Reena L. Adhia	Independent director
13	Shraddha D. Pambhar	Relative of KMP
14	Amees H. Satani	Relative of KMP
15	Intolcast Private Limited	Associate company
16	Intricast Private Limited	Associate company
17	Invac Cast Limited	Associate company

b) Transaction with related parties :

(In rupees)

Sr no	Name of the related parties	Nature of transaction	2020-21	2019-20
1	Dhiraj D. Pambhar	Managing Director's remuneration	8100000	8100000
2	Dilip M. Dudhagara	Director's sitting fees	40000	40000
3	Amrutlal J. Kalaria	Director's sitting fees	40000	40000
4	Madhubhai S. Patoliya	Director's sitting fees	40000	40000
5	Raman D. Sabhaya	Director's sitting fees	40000	40000
6	Bharat M. Dhorda	Director's sitting fees	40000	40000
7	Narendra C. Pithadia	Director's sitting fees	20000	30000
8	Gordhan K. Sorathia	Director's sitting fees	20000	20000
9	Rameshbhai M. Bhimani	Director's sitting fees	20000	20000
10	Nitेशkumar P. Patel	Director's sitting fees	20000	20000
11	Gajanan R. Kamat	Director's sitting fees	20000	20000
12	Reena L. Adhiya	Director's sitting fees	20000	20000
13	Shradhha D. Pambhar	Remuneration	550000	450000
14	Amees H. Satani	Remuneration	600000	100000
15	Intolcast Private Limited	Sample testing charge	3481	5204
		Purchase of goods	754682	2507461
		Purchase of fixed asset	0	13162900
		Sales	16790403	17668207
		Sale of fixed asset	0	1544874
		Jobwork income	8183255	2343151
16	Intricast Private Limited	Purchase of goods	0	120725
		Jobwork expense	9307	0
		Sale of fixed asset	0	38350
		Sales	2147255	3020110
		Jobwork income	195754	196945
17	Invac Cast Limited	Sales	743945	2782500
		Purchase of fixed asset	0	2216803
		Purchase of goods	678500	1850750
		Sample testing charge	0	3575
	Balance outstanding as at the year end			
	> Receivables		3180	Nil
	> Payable		526400	492600

(5) Deferred Tax Provision :

As per the Ind AS-12 on "Income Taxes" the Deferred Tax Liability as at 31st March, 2021 is as below :

Particulars	Current Year	Previous Year
Deferred Tax Liability		
Difference in block of fixed assets	9895186	8828965
Deferred Tax Assets		
Provision for gratuity	1154517	1040658
Provision for Deferred Tax Liability (Net)	8740669	7788307

(6) Earning and expenditure in foreign currency

Particulars	Current Year	Previous Year
(a) Earning in Foreign currency		
FOB value of exports	167660507	126214628
Reimbursement of expenses	3887099	1814041
(b) Expenditure in foreign currency		
CFI value of Imports	0	46864
Expenditures	2551098	1678789
Plant & Machinery purchased	10502978	0

(7) Disclosure under the Micro, Small and Medium Enterprises Development Act, 2006 are provided as under to the extent the company has received intimation from the "Suppliers" regarding their status under the Act.

(Amount in rupees)

Sr. No.	Particulars	As at 31.03.2021	As at 31.03.2020
(a)	Principal amount and the interest due thereon remaining unpaid to each supplier at the end of each accounting year (but within due date as per the MSMED Act)		
>	Principal amount due to micro and small enterprise	7410559	2550479
>	Interest due on above	Nil	Nil
(b)	Interest paid by the Company in terms of Section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along with the amount of the payment made to the supplier beyond the appointed day during the year	Nil	Nil
(c)	Interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding interests specified under the Micro, Small and Medium Enterprises Act, 2006	Nil	Nil
(d)	The amount of interest accrued and remaining unpaid at the end of each accounting year	Nil	Nil
(e)	Interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprises	Nil	Nil

Dues to Micro and Small Enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management. This has been relied upon by the auditors.
