Brief Profile of Gujarat Intrux Limited

HISTORY:

Gujarat Intrux Limited was established as a Public Limited Company in the year of 1992. The Company registered with Registrar of Companies, Gujarat and got "Certificate of Incorporation" on 8th January, 1992. Company has started Commercial Production of "Extrusion of non-ferrous copper and copper alloys" in Sept-1993. Company has made public issue of Rs. 360 lacs in 1994. The Company is listed with Bombay stock exchange.

Due to high fluctuations in the prices of copper & brass scrap, business of extrusion of non-ferrous copper and copper alloys was not viable and management has decided to diversify project into a sand casting foundry.

In Dec-1997 Company has set up "Sand Casting Foundry" Project. At present, Company is engaged in Manufacturing and supply of Stainless Steel, Non - Alloy Steel and alloy steel Castings.

The present annual production capacity of foundry is 1800 tons . The plant is equipped with all necessary infrastructure, equipments and machineries. The Company is connected with 1800KVA high tension power connection.

STRENGTH OF THE COMPANY:

- Time tested process controls supported by customized foundry software.
- The Company with full equipped Plant & Machineries, Well qualified and skilled workforce.
- The Manufacturing facility with Co2 Molding process.
- The fully equipped Machine Shop having CNC/VMC/HMC/VTL for machined casting requirement.
- The fully equipped laboratory for sand testing, chemical testing, mechanical testing and In-house radiography facility.

QUALITY POLICY

Gujarat Intrux Limited shall always strive to deliver the best quality products and achieve the highest level of customer satisfaction with the aim to share a long lasting & growing relationship with our interested parties, caring of environment and people health and safety, continual improvement in system.

Teamwork:

We constantly endeavor to nurture a cordial and healthy relationship across our management structure and we are truly proud of this facet of our organization.

Mission:

Continue to be India's leading quality Steel and Alloy Steel sand castings manufacturer through innovative and cutting edge technology and method.

30 YEARS OF GUJARAT INTRUX LIMITED

Gujarat Intrux Limited was incorporated on 08th January, 1992 and on 8th January, 2022 it has completed three decades of journey with pride, glory and list of achievements.

Since the establishment, we are adding value addition to the company such as manpower, areas where we work and even the excitement and dedication for our work and responsibilities. This is clearly a wonderful sign for any organization. This positivity is clearly reflected in our growth rate from the very beginning.

In this 30th years journey of company for valuable support to the company, we are thankful to all our share holders, bankers, customers, suppliers and all our workforce.

GLIMPSE OF 30 YEARS OF CELEBRATION AT GUJARAT INTRUX LIMITED:

1. CELEBRATION OF NATIONAL SAFETY WEEK

Indian workplaces face several challenges when it comes to workplace safety which can directly impact workers both physically and mentally. Upskilling workers in health, safety and well being can significantly help mitigate risks associated with these challenges.

One of the most effective ways of integrating health and safety into an organization's operations is by equipping the employees with appropriate skills to operate effectively in the workplace. Organizations can transform their safety culture by making it more people-centric. This approach can eventually improve business productivity and worker retention.

With the rapid rise in modern technology, workplaces are operating increasingly specialised equipment. There is a huge challenge for companies to develop the confidence and capability of their workforce to operate equipment safely. Safety is the number one priority and here in Gujarat Intrux Limited proper training and guidance imparted to the workers and employees for their safety.

National Safety Day is celebrated every year in India on 4th March. Actually it is a campaign which is celebrated for a week, 4th March to 10th March.

Here in your company also follows the said campaign and celebrated national safety week every year and committed to follow the same every year.

In Gujarat Intrux Limited, at a time of Joining the Company, PPE Kits provided to all workmens and periodically training for awarness also conducted. The safety officer of the company regularly monitor safety aspects as per check list provided.

GLIMPSE OF SAFETY WEEK CELEBRATION AT GUJARAT INTRUX LIMITED:

CRICKET TORUNAMENT

Sports offer a sturdy platform to practice discipline and maintain strong relationships among colleagues. Playing any kind of sport teaches one how to assess situations, delegate and make the right decisions. It additionally helps one's management skills and creates team building characteristics.

Keeping importance of sports in mind, your company every year organize cricket tournament for their employees. The tournament is a platform beyond just entertainment as it helped bridge communication and interaction between employees across the various functions of the organization and in turn build team spirit and lend to growth of the organization.

GLIMPSE OF CRICKET TOURNAMENT AT GUJARAT INTRUX LIMITED:

REMOTE E-VOTING INSTRUCTIONS FOR SHAREHOLDERS POST CHANGE IN THE LOGIN MECHANISM FOR INDIVIDUAL SHAREHOLDERS HOLDING SECURITIES IN DEMAT MODE, PURSUANT TO SEBI CIRCULAR DATED DECEMBER 09, 2020:

As per the SEBI circular dated December 9, 2020, individual shareholders holding securities in demat mode can register directly with the depository or will have the option of accessing various ESP portals directly from their demat accounts.

Login method for Individual shareholders holding securities in demat mode is given below:

1. Individual Shareholders holding securities in demat mode with NSDL
 1. Existing IDeAS user can visit the e-Services website of NSDL viz... <https://eservices.nSDL.com> either on a personal computer or on a mobile. On the e-Services home page click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section, this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider name i.e. LINKINTIME and you will be re-directed to "InstaVote" website for casting your vote during the remote e-Voting period.
 2. If you are not registered for IDeAS e-Services, option to register is available at <https://eservices.nSDL.com> Select "Register Online for IDeAS Portal" or click at <https://eservices.nSDL.com/SecureWeb/IdeasDirectReg.jsp>
 3. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://eservices.nSDL.com> either on a personal computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section. A new screen will open. You will have to enter your User ID (i.e. your sixteen-digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider name i.e. LINKINTIME and you will be redirected to "InstaVote" website for casting your vote during the remote e-Voting period.
 4. Shareholders/members can also download NSDL mobile app "NSDL Speede" either from app store from Google play for seamless voting experience.
2. **Individual Shareholders holding securities in demat mode with CDSL**
 1. Existing users who have opted for Easi / Easiest, can login through their user id and password. Option will be made available to reach e-Voting page without any further authentication. Explanatory Statement

As required under Section – 102 of the Companies Act, 2013 [“Act”], the following explanatory statement sets out all material facts relating to business mentioned under item no. 5 of the accompanying Notice:

ITEM NO. 5:

M/s Chandabhoy & Jassoobhoy & Co., having firm registration number (101648W) were appointed as the Statutory Auditors of this Company for two-consecutive term comprising of Two years and Five years respectively till the conclusion of 30th Annual General Meeting (AGM) of the Company scheduled to be held in 2022 and hence, would retire at the conclusion of the ensuing 30th AGM.

Second proviso to Section 139(2) of the Companies Act, 2013 provides for the appointment of a new Auditor when the existing Auditor’s Firm has completed two consecutive term. Hence, The Board of Directors of the Company ('the Board'), on the recommendation of the Audit Committee ('the Committee'), has recommended for the approval of the Members, the appointment of M/s. Parin Patwari & Co.(F.R.N 154571W) as the Statutory Auditors of the Company, for a period of 5 years, commencing from the conclusion of 30th AGM till the conclusion of the 35th AGM to be held in the year 2027.

M/s. Parin Patwari & Co.(F.R.N 154571W), has consented to the said appointment and confirmed that their appointment, if made, would be within the limits specified under Section 141(3)(g) of the Act. They have further confirmed that they are not disqualified to be appointed as Statutory Auditors in terms of the provisions of the proviso to Section 139(1), Section 141(2) and Section 141(3) of the Act and the provisions of the Companies (Audit and Auditors) Rules, 2014.

The committee has considered factors such as experience in work of audit, Quality of Audit and internal communication with the proposed Auditor and considering after the same, committee has found suitable to handle the audit work of the Company and to appoint as Statutory auditors of the Company for a period of 5 years.

Rs 3,32,200/- were approved as Remuneration of previous auditor for the financial year 2021-22. The remuneration proposed to be paid to the proposed Statutory Auditors to be appointed during their term would be in line with the existing remuneration and shall be commensurate with the services to be rendered by them during the said tenure. The Board of Directors in consultation with the Audit Committee may alter and vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Statutory Auditors.

Accordingly, Board recommends the ordinary resolution at Item No. 5 for the appointment of Statutory Auditor and fixing their remuneration for the approval of the Members of the Company.

None of the Directors and/or Key Managerial Personnel of the Company and their relatives is concerned or interested financially or otherwise in the resolution set out at Item No. 5 of the Notice.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

AN OVERVIEW

Our Company “Gujarat Intrux Limited” is engaged in Manufacturing and supply of stainless steel, Non-Alloy Steel and alloy steel Castings. The company caters its products mainly to valve industries, the company explored new numbers of parts and customers during the year. The company performed well despite of impact of 1st quarter due to covid. The projections for the current year FY 2022-23 are hopeful and quite optimistic subject to condition of covid situation and Russia-Ukraine war. The plant is equipped with all necessary infrastructure, equipment, and machineries. The company is connected with 1800 KVA high tension power Connection.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Indian is one of the largest producers of metal casted products. Our company manufactures Steel and Alloy steel Sand casting single piece weight of from few Kgs. to 2200 kgs. The demand of products are growing and we focus on more profitable items in valves and earth moving parts.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

Financial Performance is highlighted as under:

Particulars	2021-2022	2020-2021	% wise Up/Down
Production(in MT)	1071.52	903.10	18.65% Up
Export Sales (Rs. In Lakhs)	2122.08	1754.21	20.97% Up
Domestic Sales (Rs. In Lakhs)	1982.44	1479.03	34.03% Up
Total Sales (Rs. In Lakhs)	4104.52	3233.24	26.95% Up
Other Income (Rs. In Lakhs)	97.73	99.47	1.74% Down
Earnings Per Share	8.89	11.32	21.46% Down
Dividend %	30%	30%	-

In the year 2021-22 Company has overall performed decently in terms of production, domestic & export sales and we noted slight decrement of profitability, due to fluctuation in price of raw material & process materials, increase in cost of i.e. labors, fuel, transportation & gas.

During 1st quarter of the year was under restrictions due to covid, but recovery of the business started in 2nd quarter onward, due to this results of the company effected.

The Company's operational functions are well designed and having almost all facilities in house i.e. Two induction furnace, Moulding Unit, Sand-Reclamation Plant, Shot Blasting Unit, Heat Treatment, MPI, PMI, UT, RT, SPECTRO, IGCT, FARO and fully equipped Machine Shop having CNC, VMC, VTL and HMC etc..

FINANCIAL RATIOS

There is no significant changes in the financial ratios of the Company, which are more than 25% compared to the previous year.

CHANGE IN RETURN ON NET WORTH

The return on Net worth for the financial year 2021-22 has come down from 112.73% to 88.74% as compare to preceding financial year as profit of the Company come slightly down.

SEGMENT/PRODUCT WISE PERFORMANCE

The company has only one segment i.e. Sand Casting unit only. The Company has total sales of RS.4104.52 Lacs in compare to previous year of Rs.3233.34 Lacs.

In the year 2021-22, situation around the world was not in the favor of Economy but Company has performed decently in the Domestic and Export sales.

FUTURE OUTLOOK

The outlook for the industry looks reasonable, since India has good metal deposits, skilled manpower and growing demand for casted products. The improved demand is expected to continue in the current fiscal as well on the back of on going government funded projects. In spite of a downturn in the Global demand, Indian demand could survive showing an upward trend, setting a road ahead for the growth of the domestic industry in the long run.

Recent time every foundry might be going through gradual production but it may show upward trend soon as world is opening gradually with new hope for demand. We may see sharp rise in the price of raw material and may face non-availability of manpower.

Company shall continue to be quality Steel and Alloy Steels casting manufacture through innovative and improved technology and method. Company also following various Government initiatives to support the domestic market. We aim to take our Quality Management System, Technology and commitment to the next level. The Company has strengthened its safety policy, performance stability and also expecting to get rise in the market situation.

OPPORTUNITIES AND THREATS

The company is mainly producing castings which are used in valves and earthmoving industries and demand are growing and company marketing team are constantly making efforts for capture market thereof. The company has added in-house machinshop facilities for catering demand of machining parts. There are opportunities in global market for products is potential.

Steel industries are highly depending upon capital advancement and we are expecting that in the coming years. Further, biggest threat to any business is raw materials, its availability and its cost. The availability of raw material is biggest concern and it also breaking cost analysis. One more concern about business is availability of manpower. Pandemic may be caused hardship to the life of people. Skilled labor are need of industry which in recent time hard to get.

RISK FACTORS

The Key risks are global demand scenario, domestic demand, economic slowdown, increase in financial charges, non-availability or undue increase in cost of raw materials, and labour etc., coupled with market fluctuations. The Company does not apprehend any inherent risk in the long run, with the exception of certain primary concerns that have afflicted the progress of our industry in general, like: Rising manpower and material costs.

Further, India observing volatility in oil prices, raw iron prices, nickel prices and other metal prices. In such case India may face upward inflation, which may impact Company's performance. Further, fluctuation in exchange rate, liquidity issues, rising power and labour cost continues to be key challenge for the industry.

Additionally, migration of skilled workers and getting fresh workers and training them to efficient level which may likely to give impact of the performance of the Company.

Your Company regularly monitors the various risks associated with its business and the company continues to take suitable steps to minimize risks and their impact on Company's overall performance.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company believes in systematic working and placing of proper checks. The Company has proper and adequate system of internal controls commensurate with its size and nature of operations to provide reasonable assurance that all assets are safe guarded, transactions are authorised, recorded and reported properly. The internal auditors of the company conducts audit of various department and areas. The Internal Audit Department reports its findings and observations to the Audit Committee which meets to review the audit issues and to follow up implementation of corrective actions. The statutory auditors also provide assurance on the adequacy of the internal control systems in the Company.

LEGAL COMPLIANCE TOOL

In order to ensure transparency and full compliance of the applicable laws, Company has developed a comprehensive tool which covers the entire gamut of compliances applicable to the company's business. The same has been made operational during the year under review. This tool will enable the company to track and ensure compliance to the regulations in the prescribed time frame. At the same time, it also provides opportunity to develop an efficient plan for go to market strategy for its projects.

QUALITY OF PRODUCTS

The Gujarat Intrux Limited is known for quality excellence. Entire company's manufacturing process takes extreme care for providing quality. Your Company has achieved benchmark in providing quality casting. The Company has only motto of providing quality casting. The Company has separate and dedicated team to assure desired quality and we are maintaining it.

HUMAN RESOURCE AND DEVELOPMENT

Human Resources Department works continuously for maintaining healthy working relationship with the workers and other staff members. The underlying principle is that workers and staff at all levels are equally instrumental in attaining the Company's goals. Training programmes are regularly conducted to update their skills and apprise them of latest techniques. Senior management is easily accessible for counseling and redressal of grievances. The HR department continuously strives to maintain and promote harmony and co-ordination among workers, staff and members of the senior management.

The Company has taken a group policy of the employees and Company is very co-operative with the employees. The HR department of the Company is continuously in touch with the employees to guide them and solve their problems.

The Company is always focuses toward the workforce. Your Company has created performance based culture within the organization and emphasize on employees training and development. During the year under review Company has maintained healthy and cordial industrial relations.

CORPORATE SOCIAL RESPONSIBILITY

Your Company is committed to conduct its business in a socially responsible manner irrespective of statutory obligation. During the year company has contributed in the healthcare and educational sector. Further Company's Corporate Social Responsibility Committee regularly reviews the Company's CSR Policy. CSR Policy is available at the web site of the Company at <http://www.gujaratintrux.com/investors.php>

EXPORTS

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH, 2022

[Pursuant to section 204(1) of the Companies Act, 2013 and rule

No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

The Members,

GUJARAT INTRUX LIMITED

(CIN: L27100GJ1992PLC016917)

Survey No.84/p, 17 K.M. Rajkot-Gondal Road,

Village: Shapar, Taluka: Kotda Sangani,

Rajkot.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by GUJARAT INTRUX LIMITED (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2022, has generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Gujarat Intrux Limited ("the Company") for the financial year ended on 31st March, 2022, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder and further amendments thereto and as per applicability to the company;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA'), Securities Contracts (Regulation) Amendment Act, 2007 and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, transfer and transmission of shares;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 and amendments thereto;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 and amendments thereto;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; **Not Applicable** during the audit period.
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; **Not Applicable** during the Audit period.
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; **Not Applicable** during the Audit period.

- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client: **Not applicable** during the Audit period.
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 and The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **Not Applicable** during the Audit period and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations 2018; **Not Applicable** during the Audit period.
- (vi) The Company has identified the following laws as specifically applicable to the Company:
1. Explosive Act, 1884
 2. The Environment (Protection) Act, 1986
- We have also examined compliance with the applicable clauses of the following:
- (i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to board and general meetings.
 - (ii) Listing Agreement as per SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and amendments thereto entered into by the Company with Stock Exchange and Compliances to be made as per SEBI (Listing of Obligations and Disclosure Requirement) Regulations, 2015 were complied within the time prescribed under the SEBI (Listing of Obligations and Disclosure Requirement) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were no changes in the composition of Board of Directors and Key Managerial Personnel of the Company. However, after the closure of financial year existing Company secretary and Compliance officer of the Company was ceased on 31st May, 2022 and new Company secretary and Compliance officer was also appointed w.e.f 01st June, 2022 in due compliance with the provision of the Act.

Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings have been carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be. There were no dissenting views on any matter.

We further report that based on review of compliance mechanism established by the Company and on the basis of the Management representation letter, we are of the opinion that the management has adequate systems and processes commensurate with its size and operations, to monitor and ensure compliance with all applicable laws, rules, regulations and guidelines.

INDEPENDENT AUDITOR'S REPORT

To the members of GUJARAT INTRUX LIMITED
Report on the Audit of the Standalone Financial Statements
Opinion

We have audited the accompanying standalone financial statements of GUJARAT INTRUX LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March 2022, the statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date

Basis for Opinion

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis on matter

We draw attention to Note No. 26(13) to the standalone financial statements, as regarding management evaluation of COVID-19 impact on the future performance of the company.

Our opinion is not modified in respect of this matter.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report including Annexures to the Director's Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. The Management has represented that, to the best of its knowledge and belief, no funds(which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to ordinary other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - v. The Management has represented, that, to the best of its knowledge and belief, no funds(which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - vi. The dividend declared or paid during the year by the Company is in compliance with section 123 of the Companies Act, 2013.

“ANNEXURE A” REFERRED TO IN THE AUDITORS REPORT TO THE MEMBERS OF GUJARAT INTRUX LIMITED FOR THE YEAR ENDED 31ST MARCH, 2022

- i. The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment and intangible assets. The management has certified the physical verification of Property, Plant and Equipment at reasonable intervals. No significant discrepancy was noticed on such verification. The title deeds of the immovable properties are held in the name of Company. The Company has not revalued its Property, Plant and Equipment or intangible assets during the year. To the best of our knowledge, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder
- ii. As informed to us by the management, the inventory has been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable. The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business. The discrepancies noticed on verification between the physical stocks and the book records were not material and have been properly dealt within the books of account. The Company has not been sanctioned any working capital limits in excess of Rs. 5 crores by any banks or financial institutions during any point of time of the year.
- iii. The Company has not made investment, provided guarantee or security or granted any loans to companies, firms, Limited Liability Partnerships or other parties during the year.
- iv. In respect of loans, investments, guarantees and security, the provisions of section 185 and 186 of the Companies Act, 2013 have been complied with.
- v. The Company has not accepted any deposits within the meaning of section 73 to 76 or any other relevant provisions of the Companies Act, 2013.
- vi. The maintenance of cost records has not been specified by the Central Government under subsection (1) of section 148 of the Companies Act, 2013.
- vii. To the best of our knowledge and according to the information and explanations given to us, the Company has been regular in depositing the undisputed statutory dues consisting of Goods and service tax, Provident fund, Employees' state insurance, income tax, sales tax, service tax, customs duty, excise duty, value added tax, cess and other statutory dues with the appropriate authorities. There are no dues in respect of income tax, sales tax, service tax, customs duty, excise duty or value added tax which have not been deposited on account of any dispute.
- viii. According to the information and explanations given by the management, no transactions not recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- ix.
 - a) The Company has not defaulted in repayment of loans or borrowings or in interest to any lender.
 - b) The Company has not been declared willful defaulter by any bank or financial institution or other lender.
 - c) The Company has not taken any term loans during the year.
 - d) In our opinion, funds raised on short term basis have not been utilised for long term purposes.
 - e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
 - f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- x. In our opinion, the money raised by way of initial public offer or further public offer (including debt instruments) and term loans were applied for the purpose for which those were raised. The Company has not made any preferential allotment or private placement of shares or convertible debentures during the year.
- xi. To the best of our knowledge and according to the information and explanations given to us:
 - a) No fraud by the Company or any fraud on the Company has been noticed or reported during the year.
 - b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government;
 - c) No whistle-blower complaints had been received by the Company during the year.

- xii. The Company is not a Nidhi Company as defined in section 406 of the Companies Act, 2013.
- xiii. In our opinion, all transactions with the related parties are in compliance with sections 177 and 188 of the Companies Act, 2013 and the details have been disclosed in the Financial Statements etc. as required by the applicable accounting standards.
- xiv.
- (a) According to the information and explanations given by the management, the Company has an internal audit system commensurate with the size and nature of its business;
- (b) the reports of the Internal Auditors for the period under audit were considered by us;
- xv. In case of non-cash transactions with directors or persons connected with him, if any, the provisions of section 192 of the Companies Act, 2013 have been complied with.
- xvi.
- (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
- (d) The Group does not have more than one CIC as part of the Group.
- xvii. The company has not incurred any cash losses during the financial year and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year.
- xix. On the information obtained from the management and audit procedures performed and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that the Company is capable of meeting its liabilities existing at the balance sheet date as and when they fall due within a period of one year from the balance sheet date.
- xx. The provision of section 135 are not applicable on the Company.
- xxi. The company is not required to prepare Consolidated financial statement and hence this clause is not applicable.

“ANNEXURE B” REFERRED TO IN THE AUDITORS REPORT TO THE MEMBERS OF GUJARAT INTRUX LIMITED FOR THE YEAR ENDED 31ST MARCH, 2022

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **GUJARAT INTRUX LIMITED** (“the Company”) as of 31st March, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 26 Notes accompanying to the financial statements Year Ended 31st March, 2022

(1) Company Background

Gujarat Intrux Limited (the 'Company') is a public limited Company domiciled and incorporated in India under the Companies Act. The registered office of the Company is located at Survey No: 84/P,17 k.m. Rajkot - Gondal Road, Shapar, Rajkot - 360024

The Company is engaged in the business of manufacturing of Steel casting, Non - Alloys casting Steel and Alloys Steel Casting.

(2) Significant accounting policies and key accounting estimates and judgements

2.1 Basis of preparation of financial statements

These financial statements are the separate financial statements of the Company (also called standalone financial statements) prepared in accordance with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

The financial statements are presented in Indian rupees in lacs, except when otherwise indicated.

2.2 Current / Non-Current Classification

Any asset or liability is classified as current if it satisfies any of the following conditions:

- > the asset/liability is expected to be realized/settled in the Company's normal operating cycle;
- > the asset is intended for sale or consumption;
- > the asset/liability is held primarily for the purpose of trading;
- > the asset/liability is expected to be realized/settled within twelve months after the reporting period;
- > the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;
- > in the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-current.

Operating cycle

Operating cycle of the Company is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. As the Company's normal operating cycle is not clearly identifiable, it is assumed to be twelve months.

2.3 Summary of significant accounting policies

a) Property, Plant and Equipment

Measurement at recognition:

An item of property, plant and equipment that qualifies as an asset is measured on initial recognition at cost. Following initial recognition, items of property, plant and equipment are carried at its cost less accumulated depreciation and accumulated impairment losses.

The Company identifies and determines cost of each part of an item of property, plant and equipment separately, if the part has a cost which is significant to the total cost of that item of property, plant and equipment and has useful life that is materially different from that of the remaining item.

"The cost of an item of property, plant and equipment comprises of its purchase price including import duties and other non refundable purchase taxes or levies, directly attributable cost of bringing the asset to its working condition for its intended use and the initial estimate of decommissioning, restoration and similar liabilities, if any. Any trade discounts and rebates are deducted in arriving at the purchase price. Cost includes cost of replacing a part of a plant and equipment if the recognition criteria are met. Expenses directly attributable to new manufacturing facility during its construction period are capitalized if the recognition criteria are met. Expenditure related to plans, designs and drawings of buildings or plant and machinery is capitalized under relevant heads of property, plant and equipment if the recognition criteria are met."

Items such as spare parts, stand-by equipment and servicing equipment that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Costs in nature of repairs and maintenance are recognized in the Statement of Profit and Loss as and when incurred.

Capital work in progress and Capital advances:

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of fixed assets outstanding at each Balance Sheet date are disclosed as Other Non-Current Assets

Depreciation:

Depreciation on each part of an item of property, plant and equipment is provided using the Straight Line Method based on the useful life of the asset as estimated by the management and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013. The estimate of the useful life of the assets has been assessed based on technical advice which considers the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support, etc. The estimated useful life of items of property, plant and equipment is mentioned below:

	Years
Factory Buildings	30
Buildings (other than factory buildings)	60
Fences, wells, tube wells	5
Plant and Equipment (other than continuous process plants)	15
General Furniture and Fittings	10
Office Equipment	5
Information Technology Hardware	10
Motor Cycles, Scooters and other Mopeds	10
Motor Buses, Motor Lorries and Motor cars	8
General Laboratory Equipment	10
Electrical Installations and Equipment	10

Freehold land is not depreciated.

The Company, based on technical assessment made by technical expert and management estimate, depreciates certain items of property plant and equipment (as mentioned below) over estimated useful lives which are different from the useful lives prescribed under Schedule II to the Companies Act, 2013 (Schedule III). The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Information Technology Hardware are depreciated over the estimated useful lives of 10 years, which is higher than the life prescribed in Schedule II

The useful lives, residual values of each part of an item of property, plant and equipment and the depreciation methods are reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

Derecognition:

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

b) Intangible assets

Measurement at recognition:

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets arising on acquisition of business are measured at fair value as at date of acquisition. Internally generated intangibles including research cost are not capitalized and the related expenditure is recognized in the Statement of Profit and Loss in the period in which the expenditure is incurred. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, if any

Amortization:

Intangible Assets with finite lives are amortized on a Straight Line basis over the estimated useful economic life. The amortization expense on intangible assets with finite lives is recognized in the Statement of Profit and Loss. The estimated useful life of intangible assets is mentioned below:

	Years
Information Technology Software	10

The Company, based on technical assessment made by technical expert and management estimate, depreciates Information Technology Software (as mentioned below) over estimated useful lives which are different from the useful lives prescribed under Schedule II to the Companies Act, 2013 (Schedule III). The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Information Technology Software are depreciated over the estimated useful lives of 10 years, which is higher than the life prescribed in Schedule II

The amortization period and the amortization method for an intangible asset with finite useful life is reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

Derecognition:

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an intangible asset is measured as the difference between the net disposal proceeds and the carrying amount of the intangible asset and is recognized in the Statement of Profit and Loss when the asset is derecognized.

c) Impairment

Assets that have an indefinite useful life, for example goodwill, are not subject to amortization and are tested for impairment annually and whenever there is an indication that the asset may be impaired. Assets that are subject to depreciation and amortization are reviewed for impairment, whenever events or changes in circumstances indicate that carrying amount may not be recoverable. Such circumstances include, though are not limited to, significant or sustained decline in revenues or earnings and material adverse changes in the economic environment.

An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit (CGU) exceeds its recoverable amount. The recoverable amount of an asset is the greater of its fair value less cost to sell and value in use. To calculate value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market rates and the risk specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the CGU to which the asset belongs. Fair value less cost to sell is the best estimate of the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the cost of disposal.

Impairment losses, if any, are recognized in the Statement of Profit and Loss and included in depreciation and amortization expenses. Impairment losses are reversed in the Statement of Profit and Loss only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

d) Revenue

Effective April, 1 2018, The Company adopted Ind AS 115 "Revenue from Contract with Customer". Ind AS 115 supersedes Ind AS 11, Construction Contract and Ind AS 18, Revenue.

Ind AS 115 requires an entity to report information regarding nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with customers.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

The impact of application of the Standard is not material.

Revenue is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates allowed by the Company.

Revenue includes only the gross inflows of economic benefits received and receivable by the Company, on its own account. Amounts collected on behalf of third parties such as GST are excluded from revenue.

Sale of products:

Revenue from sale of products is recognized when the Company transfers all significant risks and rewards of ownership to the buyer, while the Company retains neither continuing managerial involvement nor effective control over the products sold.

Rendering of services:

Revenue from services is recognized when the stage of completion can be measured reliably. Stage of completion is measured by the services performed till Balance Sheet date as a percentage of total services contracted.

Interest, royalties and dividends:

Interest income is recognized using effective interest method. DEPB licence income / MEIS licence income / FPS income is recognized on an accrual basis in accordance with the substance of the relevant agreement. Dividend income is recognized when the right to receive payment is established.

e) **Inventory**

Raw materials, work-in-progress, finished goods, packing materials, stores, spares, components and consumables are carried at the lower of cost and net realizable value. However, materials and other items held for use in production of inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost. The comparison of cost and net realizable value is made on an item-by-item basis.

In determining the cost of raw materials, packing materials, stores, spares, components and consumables, first in first out cost method is used. Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.

Cost of finished goods and work-in-progress includes the cost of raw materials, packing materials, an appropriate share of fixed and variable production overheads, excise duty as applicable and other costs incurred in bringing the inventories to their present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

f) **Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

> **Financial Assets**

Initial recognition and measurement:

The Company recognizes a financial asset in its Balance Sheet when it becomes party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset.

Where the fair value of a financial asset at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input).

In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial asset.

However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement:

For subsequent measurement, the Company classifies a financial asset in accordance with the below criteria:

- i. The Company's business model for managing the financial asset and
- ii. The contractual cash flow characteristics of the financial asset.

Based on the above criteria, the Company classifies its financial assets into the following categories:

- i. Financial assets measured at amortized cost
- ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)
- iii. Financial assets measured at fair value through profit or loss (FVTPL)

i. Financial assets measured at amortized cost:

A financial asset is measured at the amortized cost if both the following conditions are met:

- a) The Company's business model objective for managing the financial asset is to hold financial assets in order to collect contractual cash flows, and
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

This category applies to cash and bank balances, trade receivables, loans and other financial assets of the Company. Such financial assets are subsequently measured at amortized cost using the effective interest method.

Under the effective interest method, the future cash receipts are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial asset over the relevant period of the financial asset to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as interest income over the relevant period of the financial asset. The same is included under other income in the Statement of Profit and Loss.

The amortized cost of a financial asset is also adjusted for loss allowance, if any.

ii. Financial assets measured at FVTOCI:

A financial asset is measured at FVTOCI if both of the following conditions are met:

- a) The Company's business model objective for managing the financial asset is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. Financial assets measured at FVTPL:

A financial asset is measured at FVTPL unless it is measured at amortized cost or at FVTOCI as explained above. This is a residual category. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognized in the Statement of Profit and Loss.

Derecognition:

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized (i.e. removed from the Company's Balance Sheet) when any of the following occurs:

- i. The contractual rights to cash flows from the financial asset expires;
- ii. The Company transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset;
- iii. The Company retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risks and rewards of ownership of the financial asset);
- iv. The Company neither transfers nor retains substantially all risk and rewards of ownership and does not retain control over the financial asset.

In cases where Company has neither transferred nor retained substantially all of the risks and rewards of the financial asset, but retains control of the financial asset, the Company continues to recognize such financial asset to the extent of its continuing involvement in the financial asset. In that case, the Company also recognizes an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

On Derecognition of a financial asset, (except as mentioned in ii above for financial assets measured at FVTOCI), the difference between the carrying amount and the consideration received is recognized in the Statement of Profit and Loss.

Impairment of financial assets:

The Company applies expected credit losses (ECL) model for measurement and recognition of loss allowance on the following:

- i. Trade receivables
- ii. Financial assets measured at amortized cost (other than trade receivables)
- iii. Financial assets measured at fair value through other comprehensive income (FVTOCI)

In case of trade receivables and lease receivables, the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognized as loss allowance.

In case of other assets (listed as ii and iii above), the Company determines if there has been a significant increase in credit risk of the financial asset since initial recognition. If the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL is measured and recognized as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured and recognized as loss allowance.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss under the head 'Other expenses'.

> **Financial Liabilities**

Initial recognition and measurement:

The Company recognizes a financial liability in its Balance Sheet when it becomes party to the contractual provisions of the instrument. All financial liabilities are recognized initially at fair value minus, in the case of financial liabilities not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial liability.

Where the fair value of a financial liability at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input).

In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial liability.

Subsequent measurement

All financial liabilities of the Company are subsequently measured at amortized cost using the effective interest method

Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the Derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid is recognized in the Statement of Profit and Loss.

g) **Fair value**

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- > In the principal market for the asset or liability, or
- > In the absence of principal market, in the most advantageous market for the assets or liability

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1 — quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 — inputs that are unobservable for the asset or liability

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

h) **Foreign Currency Translation**

Initial Recognition:

On initial recognition, transactions in foreign currencies entered into by the Company are recorded in the functional currency (i.e. Indian Rupees), by applying to the foreign currency amount, the spot exchange rate between the functional currency and the foreign currency at the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss.

Measurement of foreign currency items at reporting date:

Foreign currency monetary items of the Company are translated at the closing exchange rates. Non-monetary items that are measured at historical cost in a foreign currency, are translated using the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency, are translated using the exchange rates at the date when the fair value is measured.

Exchange differences arising out of these translations are recognized in the Statement of Profit and Loss.

i) **Income Taxes**

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

Current tax:

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax:

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under Income Tax Act, 1961

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary differences if any that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/ expense are recognized in Other Comprehensive Income.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

j) **Provisions and Contingencies**

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

k) **Cash and Cash Equivalents**

Cash and Cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments.

l) Employee Benefits

Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

Post-Employment Benefits:

Defined Benefit plans:

i) Provident Fund scheme:

Contribution as required by the statute made to the Government provident fund is debited to Profit and loss statement.

ii) Gratuity scheme:

The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, if applicable. Any defined benefit asset (negative defined benefit obligations resulting from this calculation) is recognized representing the present value of available refunds and reductions in future contributions to the plan.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability / (asset) are recognized in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability / (asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability/asset), are recognized in Other Comprehensive Income. Such remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.

The Company presents the above liability/(asset) as current and non-current in the Balance Sheet as per actuarial valuation by the independent actuary.

m) Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized, if any. All other borrowing costs are expensed in the period in which they occur.

n) Segment Reporting

The Chairman and Managing Director of the Company has been identified as the Chief Operating Decision Maker (CODM) as defined by IND AS 108, "Operating Segments". The Company operates in one segment only i.e. "Manufacturing of Steel, Non – Alloys Steel and Alloys Steel Casting". The CODM evaluates performance of the Company based on revenue and operating income from "Manufacturing of Steel, Non – Alloys Steel and Alloys Steel Casting". Accordingly, segment information has not been separately disclosed.

o) Events after Reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

p) Earnings per share

Basic EPS is calculated in accordance with Ind AS - 33 'Earning per Share" by dividing the profit / loss for the year attributable to ordinary equity holders of the Company by the weighted average number of ordinary shares outstanding during the year.

Diluted EPS is calculated in accordance with Ind AS - 33 'Earning per Share" by dividing the profit / loss attributable to ordinary equity holders of the parent by the weighted average number of ordinary shares outstanding during the year plus the weighted average number of ordinary shares that would be issued on conversion of all the dilutive potential ordinary shares into ordinary shares.

q) Recent accounting pronouncements and its effect on financials

Ind AS 116 Leases:

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116

introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition:

1> Full retrospective - Restrospectively to each prior period presented applying Ind AS 8 Accounting policies, Changes in accounting estimates and errors

2> Modified retrospective - Restrospectively, with the cumulative effect of initially applying the standard recognized at the date of initial application

Under modified retrospective approach, the lessee records the lease liability as the present value of the remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as:

> Its carrying amount as if the standard had been applied since the commencement date, but discounted at lessee's incremental borrowing rate at the date of initial application or

> An amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments related to that lease recognized under Ind AS 17 immediately before the date of initial application.

Effective April 01, 2019, the company has adopted Ind AS 116 'Leases' using modified retrospective approach. The adoption of the standard did not have any material impact on the financial results.

Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The standard permits two possible method of transition :

1> Full retrospective approach - under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight

2> Restrospectively, with the cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives

Effective April 01, 2019, the company has adopted Ind AS 12 Appendix C using Restrospectively, with the cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives. The adoption of the standard did not have any material impact on the financial results.

The Company has elected to exercise the option permitted under section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance 2019. Accordingly, the Company has recognised provision for the income tax for the year ended 31.03.2020 and re-measured its Deferred Tax Assets based on rate prescribed in the said section.

2.4 Key accounting estimates and judgements

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Difference between actual results and estimates are recognised in the period in which the results are known / materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

The preparation of the Company's financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods

Critical accounting estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

a. Income taxes

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions

b. Defined benefit obligation

The costs of providing post-employment benefits are charged to the Statement of Profit and Loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates.

c. Fair value measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

d. Property, Plant and Equipment

Property, Plant and Equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

(3) Employee benefits

(i) The company has recognized the following amounts in the profit and loss statement towards contributions to Provident fund

	Fy 2021-22	Fy 2020-21
